

DISCUSSION QUESTIONS

Read Psalm 24 again and reflect using these questions.

1. What does it make you think or feel to hear God created everything and everything belongs to Him?
2. When we follow Jesus and accept His gift of salvation, we are made right with Him ... what are some of the things we do *because* we are saved and right with God the Father through Jesus?
3. What is your favorite part of **Psalm 24** and why?
4. What is the smallest or biggest thing you can think of that God created?
5. Think of someone who doesn't think God created them the right way. How would you explain **Psalm 24** and this lesson to that person?
6. Take a moment and pray for the person who came to mind.
