

CALL TO ACTION

The Next Generation Capital Campaign is a Vision and Faith initiative with a financial commitment component.

The goal will be accomplished TOGETHER as a church, but there is an action item for each person.

We hope for 100% participation, no matter what kind of commitment you are able to make. Will you pray about whatever God is calling you to do?

The pastors are available to meet with you in person or virtually to give clarification on the project or answer other questions you may have.

On Consecration Weekend we will all offer our pledges in worship. If you need a Commitment Card, they are available in the lobby on both campuses.

Let us honor the legacy we have inherited by sowing generously for those who will find Christ and His Gospel here long after us. Let's leave a legacy as a Lutheran congregation that puts Jesus first in all things. Together, let us build a sanctuary worthy of the next generation—one where faith, hope, and love flourish for all.
