

## LIVESCAN INSTRUCTIONS

Thank you for helping make Midtown a safe, secure & welcoming place for everyone!  
To champion safety, we have a requirement that we fingerprint and background check everyone who serves at Midtown Church.

**We ask each individual 18+ years of age to complete a live scan fingerprint process under the organizational name of Midtown Covenant Church.**

You must still complete this even if you have already done so under a current employer or other organization where you volunteer.

If you have concerns or difficulty completing this, please talk with your Serve Team lead so they can offer support.

Thank you for taking the time to complete this for our community!

### LIVESCAN COST

Approximately \$40  
*(for the package that Midtown Church requires)*

### WHAT YOU NEED

- Valid CA Driver's License or ID card
- Completed request form

### WHERE TO GO

- Onsite at church when services are offered, or:
- Visit a partnering location at your convenience
