

# BACK TO LIFE

*Discovering Death is not Final*

## Ice Breaker

Would you rather start something from scratch or join in on something that is already in progress? (You pick the context!) Explain.

## Sacramento Campus -

**Main Text: John 11:1-44, John 12:1-11**

## Discussion Questions

- What is the “Lazarus Syndrome”?
- How is God’s power more perceptible in our problems?
- Do you seek God’s deliverance for you more than His development of you? Why can development be more important than deliverance?
- Pastor Bob mentioned that Lazarus’ bandages represent our bondages. What can you learn from vv.23-26 and vv.38-44?
- Reflect on the past year – is your life Christ-building or crisis-building?
- What do you need to be obedient to today / this week?

## Elk Grove Campus -

**Main Text: Nehemiah 1:1-11, 2:3 – 3:1, 4:1-23**

## Discussion Questions

- What have you rebuilt in your life? What is being rebuilt in the book of Nehemiah?
- Why is it important to reflect and respond before rebuilding? What happens if there is no reflection and response before the rebuilding? (Nehemiah: 1-11, 2:3-5, 8-10)
- Where/what is the mission field God has given you?
- What can you learn from Nehemiah 2:3 – 3:1? Why is unity important when rebuilding?
- Is it easy for you to lose focus when facing opposition? What can you learn from Nehemiah 4:1-23?
- What needs to be rebuilt in your life? (i.e. a relationship, your heart, etc.)?
- How will you apply what you’ve learned this week?
