

ESSENCE OF THE SERMON

Instructions on the heart and habits of a follower of Jesus.

HIS HEART

Jesus drives us past the letter of the law to the heart of the law.

“WHERE DID THAT COME FROM?”

When our filters fail us, we see our truest self.

THE BOTTOM LINE

A transformed life requires a transformed heart.

A TRANSFORMED HEART

1. The absence of the action does not mean the absence of the sin.
2. You can't be right with God when you are wrong with people.
3. The problem isn't just what we do, it's what we desire.

THE GOSPEL SOLUTION

Our only hope is a transformed heart.
