

THE GOAL

Clearly explain what the Heart and Habits of a Jesus-follower should be.

THE REALITY IS

Our mindset about money matters.

ALL OF US

You either save, spend, or scheme to make money work for you.

IF WE'RE NOT CAREFUL

Money becomes your master.

THE HEART

"My money" is from Him and for Him.

IN PRACTICE

Receive it gratefully

Manage it faithfully

Give it joyfully

Hold it lightly

ULTIMATELY

Our hope is in our maker, not our money.
