## DISCUSSION QUESTIONS

### Introductory

1. Share a time when someone met a real need for you. How did that impact you?
2. In your normal weekly routine, where do you naturally notice or miss people's needs? When you notice, what do you tend to do about those needs?

### Scripture

3. Read Matthew 25:31-46. Good works are not the root of salvation, they are the fruit. Why is it important to keep that distinction clear?
4. In verses 31-33, what authority and identity of Jesus are emphasized? How does seeing Him as King and Judge shape how we read the rest of the passage?
5. Why do you think Jesus emphasizes caring for those in need as evidence of genuine faith (also devotional question 1 this week)?
6. How does this passage challenge a purely internal or private view of faith?

### Application

7. Why do you think neither group realized they were serving (or neglecting) Jesus? What does that imply about the authenticity of their actions?
8. What's the difference between occasional generosity and a lifestyle of mercy?
9. Where might God be calling you to deviate from your routine? What margin (time, emotional energy, resources) might you need to build into your life to engage faithfully?
