

BIG IDEA

We are called to know and follow the real Jesus, not our version of Jesus.

YOU AND I KNOW

Love is complicated.

IN THE CHURCH

Emphasizing relationship over religion can put love and obedience at odds.

THE NOT MY JESUS LIE

Jesus is interested in the sincerity of my heart, not the obedience of my life.

SIMPLY PUT

To love Jesus is to obey Jesus.

WHY LOVE REQUIRES OBEDIENCE

Obedience demonstrates trust in Jesus.

Obedience proves loyalty to Jesus.

Obedience keeps life in step with Jesus.

PERFECT LOVE

Jesus demonstrated His love for the Father through His obedience to the Father.
