

THE STORY

The Bible is one purpose-filled story with several distinct parts.

OLD TESTAMENT

What do I do with the part of the story between Creation → Jesus?

OBSERVATION

Everyone agrees the world is broken; many disagree on why.

STUCK

God promises He will bless people.

God promises He will punish sin.

People choose sin.

HOPE IN THE TENSION

God is faithful even when we are faithless.

YOU AND HIM

You are a covenant breaker.

He is a covenant keeper.

A BETTER HOPE

The Old Testament screams that humanity needs a savior.
