

MORE THAN EVER

We are inescapably exposed to and confronted with competing opinions and beliefs.

OUR COMMITMENT

Equip you with clarity that produces confidence in navigating tough topics biblically.

THE ACCUSATION

Christians conveniently cherry-pick what parts of the Old Testament law they promote and push.

OLD TESTAMENT TO NEW TESTAMENT

Clarity comes by understanding biblical context and biblical covenants.

LAWS & COVENANTS

Where humanity failed, Jesus fulfilled.

NAVIGATING THE TOUGH TOPIC

How does Jesus fulfill this?

How do we internalize this?

DON'T MISS THIS

The law reveals the depth of our sin, the cross reveals the depth of His grace.
