

THE POINT

We want to be prepared for the battle.

VERY COMMON

Possible to be doing the right thing, the wrong way.

COMMUNITY TALK

People can know you, and you can still not be known by those people.

HEALTHY RELATIONSHIPS

You need proximity and accessibility.

THE PLAYBOOK

The enemy leverages isolation - both external and internal - to hinder your doing and your being.

IN YOUR WALK

Give others access.

GIVING ACCESS

1. Temptation
2. Confession
3. Inspiration
4. Desperation

THE BIG PICTURE

Right now in Christ, we are set free from the penalty of sin, but must battle the power of sin until the day we are free from the presence of sin.
