

SERIES PRAYER REFLECTION

So far: What are you seeing more clearly about yourself and about God?

EASILY NEAR THE TOP

Much of the good and bad in your life is around your ability to do relationships.

OUR MARCHING ORDER

I contend we are more shaped by the world than the word about how to do relationships.

JESUS IS CLEAR

Gospel-infected people do relationships by different instincts.

THE KINGDOM WAY

Relate to others the way God relates to you.

RELATING GOD'S WAY

1. Guard entrances, not fight for exits
2. Treat words preciously, not loosely
3. Absorb, not escalate
4. Love unconditionally, not transactionally

THIS ONLY WORKS IF

Greater connection to Jesus is the continued catalyst to loving this way.
