

## THE CALL

Christians follow creator Jesus and not the Jesus we create.

## CHALLENGE OF THE AND

The Jesus of the Bible is Savior and Lord.

## WE KNOW

Emotions complicate discernment and decision-making.

## NEAR THE TOP

Relational conflict, especially with our children, creates incredible emotional turmoil.

## THE CONUNDRUM

You work to stand with those you love. Convictions will create division. Some convictions put us at odds with those we want to stand with.

## THE NOT MY JESUS LIE

My relationship with Jesus would not hurt my relationship with my child.

## IN THOSE MOMENTS

Your relationship to Jesus is the relationship that always wins.

## A JESUS RELATIONSHIP

1. Public relationships will reveal hidden realities.
2. No division may mean you don't know the Divine.
3. Your instincts have to be denied.

## PICTURE

This all should point to the power of the Gospel.
