

Youth Church is an energetic 45 minute service that is great for those in high school. It starts at 4pm every Sunday of the year, regardless of holidays. Many students also help in the running of the service.

After the service we have discussion groups and then feed everyone at SNAC for just \$6 each week. The younger youth are then picked up at 5.45pm.

We also have a 6pm Evening Church service that is attended by students in year 11 and 12.

## Growth Groups

A typical group includes time reading the Bible and discussing what it has to say. Time is also spent praying for and encouraging each other as well as eating something yummy. Groups meet at various times during the weekend.

Near the end of January we have our annual Junior High Youth Outreach with lots of excellent Bible talks and fun activities.

# 2022 Youth Ministries

## Welcome

Jannali Anglican has always been committed to the care of the young people in our area. We believe that good spiritual health is just as important as good physical health. We believe that knowing our Creator personally is more important than just knowing about him.

We believe that God made the world and everything in it. Although he is God, all people choose to ignore his rule. We believe that God has demonstrated his love for us in his only Son, Jesus. We believe he died on the cross to take the punishment we deserve for ignoring God and that he rose from the dead. In trusting Jesus, we believe we are forgiven and receive eternal life.

This is good news! It's what we call the gospel.

At Jannali our **Youth Mission** is "to pray and preach the gospel and challenge all people to Connect with Christ Jesus, Grow in Christ Jesus and Serve Christ Jesus"

If you would like more information about what we believe or the programs we run, please give me a call.

## Youth Leaders

Each of our youth groups has a team of leaders who have been selected because of their character and ability in relating with young people.

Some teams will have leaders who are in their first year of youth ministry combined with seasoned leaders who have been involved for many years.

All our youth leaders are required to undergo Safe Ministry training and have a government issued Working With Children Check (WWCC) number before working with young people.

Youth leaders are also linked with groups of youth to whom they take on the responsibility for pastoral care.
