

23rd December 2025

Dear Camper,

We are very pleased to advise you that your application to attend The **HEIST** Summer Camp from 12th-16th January 2026 has been accepted. We look forward to joining with you at Chittick Lodge, Gerringong for a week of challenges as you take part in the biggest **HEIST** in Summer Camp history. This letter will provide you with all you need to know before camp.

Not long after we released the **HEIST** theme for camp, the French Crown Jewels were stolen from the Louvre. The whole job was completed in just 8 minutes! While one piece was recovered the rest of the jewels are yet to be found. During The **HEIST** Camp you will be tested in your ability to plan and complete a heist. This will include planning your entry and escape, avoiding detection from laser beams, CCTV cameras, and security guards. You may need to crack a safe, create a diversion, and then offload the merchandise without leaving a trail of evidence.

During the week we will be looking at the book of Ezekiel as Josh Hayward points us to the glory of God and his plan to complete the biggest heist in history through his son Jesus. You might want to read over Ezekiel before coming to camp.
