

Dear Valleypont Church

God is so good! We as your Pastor Search Team met last night. It is with hearts overflowing with joy and a profound sense of God's perfect timing that your Pastor Search Team shares a momentous update. We have prayed, discerned, and diligently sought the man God was preparing to lead our church into its next chapter of Kingdom impact. We are thrilled to announce our unanimous decision: we are recommending Rob Broussard as the candidate to be our next Lead Pastor.

This unanimous recommendation is not made lightly. We have seen God at work in our church this year in powerful ways, with more baptisms than in any single year for over two decades. We believe this is a direct result of our commitment to always pray and partner with what He is doing, and we are confident that Rob is the leader who will continue to guide us in this journey. Here is a little more about Rob that we want you to know.

Rob's compassion shines through his extensive experience as a Chaplain for the Yakima Police Department. This is a profound testament to his ability to meet people where they are, offering grace and a listening ear. He is a shepherd who truly cares for the flock.

Rob is a man who truly loves God's Word. The task of a Pastor is to teach God's word to God's people. We can see this in Acts 6. With his Master's Degree in Theology, he is committed to an exegetical preaching style that faithfully unpacks scripture. He teaches with a deep passion for helping people not only know the Word but also to be obedient to Jesus Christ.

Our desire is to be a church that raises up new leaders and multiplies disciples. Rob's background is uniquely suited for this mission. From his military service where he supervised and trained personnel, to his intentional focus on church revitalization, he possesses a proven ability to equip and empower others. His love for multi-cultural work and his leadership in starting and funding new churches demonstrate a profound commitment to the Great Commission.

Rob's leadership in revitalization has produced tangible results, including leading his most recent church to double in size and an increase to their budget by over 80% while maintaining a strong commitment to missions by giving 15% of the budget to missions. He and his wife Mary have also modeled this in their own family, raising eight children, four of whom are adopted. While Rob has many years experience in vocational ministry, he is a leader who is always learning.

We are so excited for you to meet Rob and his incredible family. We have scheduled an opportunity for our Life Groups to meet with them on **Saturday, September 27th**. We believe that when you get to know them, you will see what we have seen--that God has answered our prayers in a powerful way and provided the leader we have been seeking all along.

We are very excited for you to meet and vote on the next Lead Pastor of Valleypoint on **Sunday, September 28th**.

May the Lord continue to bless you and keep you,

Your Pastor Search Team
