

Impact Report

July 2025 – June 2026
Echo Grace Church

The Last Year Came With Changes

Same Church. New Name.

We took on our new name, Echo Grace Church, heeding the call of **1 Thessalonians 1:8** to echo God's grace like thunder into the Northeast and beyond!

A Brand New Campus

In April 2026, we launched our first **Connecticut** campus located in **New Milford**.

And A New Addition To Our Team

Adam Bishop
New Milford

Pastor Adam Bishop serves alongside his wife, Erin, and their three children, Max, Adelaide, and Griffin. Adam is dedicated to proclaiming the name of Jesus and leading the campus to be His hands & feet in the New Milford community and beyond.

We set out to reach the
Northeast & beyond
by making fully
devoted followers
of Jesus

399

people made a
decision to
follow Jesus

428

people publicly
proclaimed their
faith through
baptism

1415

expressed their faith
in Jesus through
service to the church

***Includes Night to Shine
+ Christmas Eve**

Followers Who Go All In

“Radical Mentoring took me from a semi-regular church attendee to a **disciple-making disciple** of Jesus Christ. It equipped me for leadership in all facets of life, beginning at home and extending into every sphere of influence.”

Tim Tavares
Dutchess Campus

Radical Mentoring

A high commitment, faith based small group experience for men where seasoned leaders disciple younger men by focusing on deep vulnerability, authentic relationships and spiritual growth.

Growing Stronger Together

Women's Retreat

In early May 2026, over **350 women** gathered together at Lake Champion Young Life camp to grow spiritually, build lasting friendships and experience renewal.

Warrior Conference

In early June of 2026, over **50 men** of Echo Grace attended the Warrior Conference at the Word of Life Conference Center in Pottersville, NY. The men joined together to grow in faith and community as brothers in Christ.

710 Children Sponsored

“Volunteering with the Compassion Experience was a powerful and inspiring experience. Seeing hearts moved towards compassion reminded me that service is one of the most meaningful ways we can share God’s love.”

Sara Robbins
New Milford Campus

This year we partnered with Compassion International, to provide practical care for children **experiencing poverty**. As part of Compassion weekend, we hosted the Compassion Experience, which is a mobile, immersive journey through a child’s story of overcoming poverty. When someone chooses sponsorship, they are choosing to share the **hope of the gospel** with a child in desperate need, by providing the practical care they need to escape poverty.

Echoing Compassion

Honoring One Another

Night to Shine in 2026 was an exceptional evening, filled with love and joy as over **400 volunteers** came together to honor the special needs community.

“It’s hard to put into words the joy Night to Shine brought to our family, especially to Destiny... she loved every bit of it. Her smile was so big, and I am forever grateful to everyone that made this event a success and gave our children a safe space to be celebrated, to be themselves, to feel loved and included...”

Erica Bonilla
Washingtonville Campus

45 → 140

starting average
weekly
attendance

average weekly
attendance this
fiscal year

This year, the Lord has blessed the young adults ministry with **significant growth**, with weekly attendance more than tripling & our reach expanding through evangelism in **New Paltz** and ministry work at the **Sapphire Nursing Home**.

“Young Adults has been a huge blessing in my life. I started coming in December and didn’t know what to expect. Now in June I am more knowledgeable, have formed awesome relationships and have personally become closer to God as a whole. This is something I look forward to every week...”

Bryce DeGroat
Washingtonville Campus

Reaching
The Next Generation

Equipping Leaders To Carry The Gospel -----

Through our West Point ministry, we've served over **100 cadets** and **commissioned 28** to carry the gospel into the world as military leaders and potential world leaders.

In late July 2025, a team of nine students and three leaders traveled to Philadelphia on a domestic mission trip. While there, they partnered with a local church to serve an urban community through a summer program for elementary-aged children. Throughout the week, meaningful connections were formed, and many young lives were touched with the **hope of the gospel**.

Investing In Children

Over the past year, Echo Grace Kids helped more children & families encounter Jesus through record attendance growth, increased volunteer engagement, meaningful outreach events, and strong partnerships with parents.

Children took significant next steps in their faith through baptisms, Scripture memorization, prayer, and discipleship, while caring leaders created environments where every child could feel known, loved, and connected.

Collaboration and Teamwork

Operations Team

At Echo Grace we believe in teamwork. We are so thankful for the collaboration between our pastors, directors, & volunteers. We are especially grateful for all the behind-the-scenes work from our operations coordinators this year.
