1 Corinthians 9:19-27

RUN TO WIN

Courage is not the absence of fear. It is faith that keeps moving when fear says stop. This summer at UCYC, we are calling students to a courage that looks like Jesus: bold enough to share the gospel, humble enough to serve, and disciplined enough to finish what they start.

In 1 Corinthians 9, Paul describes a life poured out for others. Though he was free, he made himself a servant to everyone, so that by every possible means he might win some. He did not run aimlessly or fight like a man beating the air. He trained, he sacrificed, and he kept his eyes on a prize that does not fade.

THE PRIZE IS SET. THE WORK IS FINISHED. THE RACE IS YOURS.

That is the kind of courage we want students to carry home. Not hype that fades by the weekend, but conviction that holds up under pressure. Through biblical teaching, worship, workshops, team challenges, and real fellowship, we will challenge this generation to run their race with purpose and to run it to win.

Like an athlete in the arena, the Christian life takes training and grit. The crowns of this world tarnish and break, but the crown Christ offers is imperishable. We are not chasing a moment. The Lord is building students who will stand, serve, and keep running long after camp ends.

FINAL NOTES

Don't bring a selfish attitude; a heart to distract others from growing in their walk with Christ; worldly talk & language; laziness and a habit for phone distraction; A reckless behavior; a carelessness to the leadership and rules for the camp; your romantic side for any time during the trip; and we are definitely not to bring a heart and action of slackness

FLASHING LIGHTS

will be used at times during worship and games. If your student has any medical sensitivities (e.g., epilepsy or sensory issues), please inform a leader ahead of time so we can plan accordingly .

We also discourage personal cell phones and gaming devices during camp. With limited service at UCYC, this week is meant to be a focused time away from distractions—to grow in the Lord and connect with others. Thanks for helping your student stay present.

DRUGS, PARAPHERNALIA & WEAPONS

Illegal drugs, drug paraphernalia, and weapons of any kind are strictly prohibited at camp. If any of these items are found, camp leadership reserves the right, at their sole discretion, to involve local authorities and to send the student home. The safety of every student is our priority, and this policy helps keep camp a safe place for everyone.
