

How Will We Make Room For More People to Hear The Good News of Jesus Christ?

Three Services – Two Time Slots: Beginning Sunday, September 13, 2026, we will adjust our Sunday Morning Schedule to allow us to make room for more people to encounter the love and truth of Jesus Christ through the First Baptist Family. Here is what the new schedule will look like:

9:00 AM	10:30 AM
Contemporary Worship (Worship Center)	*Contemporary Worship (Worship Center)
Groups Meeting for All Ages	*Traditional Worship (Chapel)
	Groups Meeting for All Ages Except Students

Time	Worship Center	Chapel	Groups
9:00 AM	Contemporary Worship		All Age Groups
10:30 AM	*Contemporary Worship	*Traditional Worship	All Age Groups Except Students

Note: *These services will be live each Sunday, with preaching in the room every other Sunday and on the video screen every other Sunday.

Advantages:

- Creates a third worship opportunity without requiring an additional time slot.
- Preserves the two different styles of worship that we currently offer.
- Maximizes the times best suited to inviting others to attend, making more room for more people to hear the Good News of Jesus Christ.
- Does not require a third hour of having to staff groups for Preschool and Children's Ministry.
- Utilizes the two different worship venues that God has entrusted to us.

What is my role in making room for more?

- **Pray** for God to send a harvest. Pray for God to raise up laborers for the harvest.
- **Prepare** my heart to embrace whatever helps reach more people. (See 7 Day Devotional Guide)
- **Participate** by asking, "Lord, where do You want me to serve in making room for more?"

"Making room for more isn't ultimately about another worship service. It's about making room in our hearts, our schedules, our ministries, and our lives so that more people can hear the gospel, become disciples of Jesus Christ, and spend eternity with Him. If heaven rejoices over one sinner who repents, then every sacrifice we make to help one more person encounter Jesus is a sacrifice worth making."
