- Voting will be conducted via text messaging to **860-341-1446**.
- All remote votes must contain the member's full name and their vote, for instance:
 - "John Smith Yes" or
 - "John Smith Yes to all" or
 - "John Smith Yes to all except missions"
- **Every remote vote must contain the member's full name.** This is required to verify membership status of remote voters. Remote votes without a name will not be counted. Remote votes will be confidential, but not anonymous.
- Votes conducted during the meeting will allow 3 minutes for people to vote via text.
- The vote conducted for the final ballot will allow 30 minutes for people to vote via text.

At the start of the meeting, if there are fewer than 31 members in the room, members participating remotely will be asked to text their names to **860-341-1446** to confirm quorum.

Please remember that this is the first time in Trinity's history that we have held a virtual congregational meeting! We ask for your patience and understanding as we work through the many details of making this happen.

Blessings,
Your Governance Board
