The Truth of the Gospel

Todd Arnett

January 10th and 11th, 2026

The Gospel's essence and authority is DIVINE, not humanly DEvised.

Paul's letter to the churches in Galatia is a lot of things:

- it's written to a REGION of churches rather than to a city
- chronologically, it was his FIRST letter of the 13 that are found in the New Testament
- it is Paul's most CORRECTIVE letter and follows JESUS' posture towards the Jewish religious leaders that He faced

Galatians 1:10

"We must obey God rather than people!" (Acts 5:29)

At times, it will be mutually exclusive to both obey GOD and honor the desires of OTHERS.

"Through the person and work of Jesus Christ, God fully accomplishes salvation for us, rescuing us from judgment for sin into fellowship with him, and then restores the creation in which we can enjoy our new life together with him forever."

– Tim Keller

Galatians 1:13-17

*Galatians 1:18-20, Galatians 1:21-24, Galatians 2:1-5,
Galatians 2:6-10*

Three “takeaways” that will be helpful for the rest of this series:

- the Gospel of Jesus was revealed by God and does not have HUMAN ORIGINS
- the Gospel of Jesus is not to have anything ADDED or taken AWAY from it
- the Gospel of Jesus serves as confirmation and COMMON GROUND for those who are saved by it
