

The Way, the Truth and the Life

What is the significance in our lives when Jesus says He is both ENOUGH and EXCLUSIVE?

John 14:1-4

You hesitate to put your "weight" upon God because your God is too SMALL & your STORIES are too few.

John 1:14, John 14:5-6,

When you live out and communicate the EXCLUSIVITY of Jesus it will be met with frustration and hostility in our PLURALISTIC culture.

Jesus makes it plain that there is objective REALITY by which the universe is governed and its name is JESUS – He is “THE Truth”

Because Jesus is speaking about “life” in the context of going to His Father’s house, it must relate to ETERNAL life that is found in and through Him.

It’s NOT sincere people from every type of religion and faith who follow their own path to the top of mountain who will all ARRIVE there from their own means.

Acts 4:12

Gospels that some look to instead of Jesus exclusively:

- The Gospel of WELLNESS
- The Gospel of MORALISM
- The Gospel of ARTISTIC Experience

The hope of HEAVEN and the surety of HELL motivate us to bring the love and life of Jesus into our relational worlds.
