Date

Dear Friends and Family,

Greetings! My church is taking a mission trip to (location) during (dates you will be traveling). We will be (brief description about the work you'll be doing.)

(Share how God has called you to be part of this mission trip.)

As mentioned above, I will be traveling with a team from my church, High Desert Church. We will be (explain what the purpose of your trip is.)

I believe this mission trip to (location) will be a great opportunity to communicate God's love to his people. While (again, explain the purpose of your trip) it will also allow us to love and care for people as we meet needs and minister in Christ's name. Our prayer is to reflect in Christ in everything we say and do.

I know this trip will also be a time for God to grow me spiritually and expand my ability to see the way He is at work in the world today. I can't wait to see Him at work and join Him there! That's why I am writing to ask you to invest in my life and in the ministry opportunity through your prayers and/or financial support.

The first and most powerful thing I am asking you to do is pray for us. Pray that God would use this time to revolutionize my life, but more importantly pray that He would allow us to use the hand and feet of Jesus to bring transformation to these people.

Lastly, I would ask that if you are able to do so, can you support me financially in achieving this goal to go and serve. (Place the amount of the trip, the amount you need and also the amount you are able to come up with on your own.) If you are unable to donate, I will ask for continued prayers for myself and my team.

(Include where and how donations can be sent directly to the church, what information of yours they need to include when sending donations directly to the church and the deadlines for money to be sent.)

Thank you and God bless
(Hand sign each letter)
