

Here for Good

Here For Good – demonstrating God's goodness through our STORIES and as NEIGHBORS across the **Desert.**

1. We will be intentional in sharing our stories that communicate God's GOOD NEWS.

Mark 10:18

It's an invitation to communicate and demonstrate the very NATURE and CHARACTER of God to a Desert that is in desperate need to know and experience it.

"Locals don't keep the GOOD STUFF to themselves"

Romans 10:15

30 second “story” template:

- there was a time in my life when ...
- but God ...
- now I ...

Locals don't KEEP the good stuff to THEMSELVES.

We are inviting HDC's church family to be TRAINED and DEPLOYED for the next year to share their stories of God's goodness at least monthly with unconvinced people in their oikos.

2. HDC's three permanent campuses will be GOOD NEIGHBORS to their communities.

What was it like living with CHRISTIANS in the early history of the church?

Galatians 6:9-10

The early church goal wasn't merely to say that Christianity is TRUE, but that transformed believers are dramatically GOOD.

"geographic oikos" – intentional influence based upon a campus' address, location and needs in its neighboring community.

How our campuses will be Good Neighbors to their three communities:

- by directing our Campus Pastors to make at least 5 personal connections to other PASTORS in their communities.
- each campus DEEPENS one significant connection to a community Kingdom Partnership ministry
- Hesperia and Apple Valley's campuses will begin to seek ways to utilize their BUILDINGS to be a BLESSING to their communities as HDC's Victorville campus continues to do so well

3. HDC is "one church in three communities" that is united "for the GOOD of the DESERT"

Jeremiah 29:7

Here's your next steps from this Vision Weekend:

- opt in to share your STORIES of God's goodness 12x over the next 12 months
 - text **Local** to **64567**
- begin PRAYING diligently for the city of the campus that you attend

Text **Bible** to **64567**
