GATHERING, GROWING, GIVING, GOING, GENUINE

Measures answer... "When are we successful?"

Measures are the set of attributes in each our lives that should be evident as we as a church live out our Mission, Strategy and Values. Measures tell us when we've hit the bullseye.

GATHERING:

We engage in daily personal worship and weekly community worship. This creates a contagious culture, a powerful witness, and an inviting culture that draws people to this life-changing place.

Hebrews 10:25 (NLT): *"And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near."*

GROWING:

We engage deliberate disciplines of the word, prayer, and worship. This fuels a constant hunger for God so that the gifts and fruit of the spirit grow. Our thoughts and attitudes are transforming.

2 Corinthians 5:17 (NLT): *This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!*

GIVING:

We adopt a mindset and lifestyle that reflects the truth that God has given and owns all we have. We live surrendered lives that intentionally and generously extend people these resources God has given us: time; talent; touch; treasure; testimony; tears; and thoughts.

1 Chronicles 29:14b (NLT): *...we give you only what you first gave us!*

GOING:

We reach out in unity to embrace people who are missing. We serve in and out of our comfort zones, showing and telling the good news of Jesus. We reach and touch people with the love of Jesus in every way we can.

Matthew 20:28 (NLT): *For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many."*

GENUINE:

We have an authentic relationship with God that creates a tender heart and a teachable spirit. It is life-changing! We are not perfect, but we are real. This produces continuing and transformational spiritual growth that causes us to love God, love people and pour out our lives for both.

Romans 12:9-10 (NLT): *Don't just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good. 10 Love each other with genuine affection, and take delight in honoring each other.*

 *Where is God taking us?*
