LPA'S BLOG - NOVEMBER 17, 2024

This is Mrs. Adriene Gill taking over the blog for this week! I have officially been married for 2 months! Thank you so much for your prayers and the warm congratulations over this last little while. We felt the clothing of prayer upon us leading up to and most especially on our wedding day itself back in September. Our wedding day was truly one of the most joyous and beautiful days of my life. I woke up that morning with no nerves or stress, just complete and utter joy and excitement knowing that soon enough Adrian would be waiting for me at the altar. Here is the link of our wedding that was livestreamed: <https://www.youtube.com/watch?v=DOpDZtKWNkE>

How's married life been going you may ask? Well, that's what this week's blog happens to be about. Here are some fun newly wed updates from the past 2 months:

1. Married life feels like a perpetual sleepover with my best friend. Our home is often filled with laughter and music, mixed with deep spiritual conversations, and figuring out plans to accomplish the mundane tasks of daily living.
2. I love being a wife but more importantly I love being Adrian's wife. It has truly been one of the greatest gifts to begin loving and knowing his heart in this new way as a husband.
3. We are still settling into our new space and building up our little home with great care and intention to ensure that we can find the eternal in everyday. We recently installed a holy water font at the entrance of our space to remind us that the home we are building is the domestic church.

As we continue to make our house a home, comes establishing new family traditions. With Advent just 2 weeks away, the parish will be hosting our first ever Advent Craft Event where we will be making Advent wreaths. The event will take place on Saturday, November 30th from 10am to 12pm. Having an Advent wreath in your home is a great way to enter into the season. We will be providing prayers that can be said throughout Advent alongside lighting the candles on your wreath.

There is no age requirement and no experience is necessary for this craft event. The cost is \$25 per family and will include all the items needed to create your Advent wreath. (1 wreath per family).

Registration is required and you can sign up online through this link: <https://stmarystarofthesea.ca/advent-family-craft-event> or by filling out a registration form that can be found at the exits and entrances of the Church.

The deadline to register is November 23rd and the payment can be given on the morning of.

Mr. Adrian Gill & I will definitely be there and we hope to see you!

Adriene

SOCIETY OF SAINT VINCENT DE PAUL

SSVP - We Need You To Help Us Help Others

As you heard in our pulpit talk a few weeks ago, we are looking ahead to assisting our Neighbours in Need at Christmas and throughout the year. In order to do that, we need your prayers, and financial support. See below for more information on poverty, the call of each of us to serve the poor, and the work of SSVP. Thank you for your support!

World Day of the Poor: How Can We Live as Friends of the Poor?

November 17 is World Day of the Poor in the Catholic Church. In his Message for the 2024 World Day of the Poor, Pope Francis says: "We are called in every circumstance to be friends of the poor, following in the footsteps of Jesus who always began by showing solidarity when dealing with the least among us." Living as friends of the poor is what our parish conference of the Society of Saint Vincent de Paul is trying to do for our most vulnerable neighbours. If you want to learn more and join our mission, send us an email at stmarystar@ssvptoronto.ca. Or learn more about the work of the Society and how you can help at www.SSVPToronto.ca.

Poverty in the GTA and the Impact of the Society of Saint Vincent de Paul

POVERTY IN THE GTA*

- 1 in 10 people in the GTA depended on food banks in 2023 alone.
- That is twice as many people as 2022—the highest annual increase ever recorded.
- 120,000 new people started using food banks in 2023.
- 1 in 3 of those who depend on food banks are living with a disability.
- More than half of those who depend on food banks missed meals in order to pay for another important necessity of life, like rent.
- After paying rent and utilities each month, food bank clients on average have just \$6.67 per day to spend on food.
- 1 in 3 food bank clients went an entire day without eating.

*These statistics are taken from Daily Bread Food Bank's annual Who's Hungry? Report.

IMPACT OF THE SOCIETY OF SAINT VINCENT DE PAUL

- 1,400 Vincentian volunteers each year—based in parishes across the Archdiocese of Toronto—regularly visit over 30,000 families and individuals, bringing food vouchers, friendship, and a listening heart. Vincentians also offer clothing vouchers and access to furniture through our warehouse and collection program.
- The Society of Saint Vincent de Paul Greater Toronto Central Council also operates several "Special Works", housing programs that provide specialized support for the most vulnerable. These programs house hundreds of individuals and include: Emergency shelters for women in crisis; Supportive housing for people living with mental health challenges; Permanent housing for men and women living with disabilities; and, Transitional housing for men in recovery from serious addictions.
- We also operate two summer camps—one for boys and one for girls—where each year, over 1,200 campers from families who otherwise could not afford a summer camp experience get to enjoy and incredible adventure.
