*Pastor's Corner: **Nativity of the Lord***

One of the memories that I have for Christmas was after the tree was put up and decorated. This was the time for a young Fr Michael, before he was Fr Michael, would go looking throughout the house for his gifts. I was enabled by my big brother and my sister was an innocent bystander. When my mom found out that I was looking for the gifts, well that did not turn out well for me. I couldn't wait...I wanted my gifts! Alas, the penance I now impose on myself now is not to open gifts until the 25th. I must wait and be patient.

As we come to celebrate Christmas, remembering that Jesus is the God who became man and was born of the Virgin Mary in a stable in Bethlehem. And hopefully through this celebration at Mass along with gatherings of family and friends, our hearts are filled with joy like the Shepherds. I pray that you get time to sit in the comfort of knowing the personal love that God has for you. This is a gift that we do not need to look for, a gift that is always ready to be opened.

On behalf of the parish team, may you all have a very blessed and Happy Christmas. Be assured of my prayers for you and your families!

SSVP – With Gratitude

One of our Neighbours in Need recently wrote this message in a Christmas card to you: “I just wanted to say how grateful I am for all the great support from all the wonderful people of the church.” In this season of preparing to welcome the Light more fully into our lives, how fitting that you have shared the Light with others. Blessings for a healthy, happy Christmas and New Year!

New Years Eve Adoration

This year, we warmly invite you to consider welcoming the New Year in quiet prayer before the Lord. Following our **5:00pm Mass on December 31st**, the Blessed Sacrament will be exposed until midnight. If you feel called to spend an hour with Jesus, sign-up sheets are available around the parish.

The Legion of Mary

The Legion of Mary wishes the Parish family a wonderful and blessed Christmas!

Smile of the Week

Josiah was experiencing some mouth pain, so he made an appointment to see his dentist.

After a quick exam, the dentist said, "That new upper plate I put in a few years ago is eroding. Can you think of anything you've been doing differently lately?"

Josiah replied, "Well, about six months ago, I went to a restaurant and had hollandaise sauce for the first time. Since then, I've been eating it on everything!"

"That's the problem," said the dentist.

"Hollandaise sauce is very acidic, and it's probably corroding the plate in your mouth. I'll make you a new plate, and this time I'll use chrome."

"Why chrome?" asked Josiah.

"It's simple," replied the dentist...

“Everyone knows that there's no plate like chrome for the hollandaise!”
