## ***Ministry Opportunities!***

Each of us is called to use the gifts God has given us in service to others and to Him. As we prepare for the fall, we invite you to prayerfully consider how you might share your time and talents in the life of our parish. More opportunities to serve will be announced in the coming weeks. Please stay tuned!

## ***Encountering Christ in the Word, Book by Fr. László***

I am pleased to share with you ***Encountering Christ in the World - Homilies for Year A***, is available after all Masses.

This book is a collection of homilies and reflections rooted in the Sunday Gospels, written with one purpose: to help deepen your relationship with Jesus Christ. Each reflection invites you not only to understand the Word of God, but to encounter Christ personally, to grow in faith, and to live the Gospel more fully in your daily life.

Many people today are searching - for meaning, for hope, for direction. The Word of God speaks directly into that search. It has the power to strengthen us, to guide us, and to transform our hearts. My hope is that this book will serve as a companion for your prayer, your reflection, and your journey of discipleship.

**The book is available for purchase in the narthex of the Church for \$25**

If it has helped you or may help someone you love, I encourage you to take a copy, and perhaps consider sharing it with a family member or friend who is searching or returning to faith.

Thank you for your continued prayers and support. Be assured of my prayers for you and your families.

In Christ,  
*Fr. László*

## ***Second Collection - Weekend of July 4/5***

Please note that this weekend there will be a second collection that goes directly to humanitarian relief efforts for the earthquake victims in Venezuela. Please continue to keep the people of Venezuela, those who have lost loved ones, the injured, and all emergency responders in your prayers during this time of great suffering.

### **Great News! My books are now on Kindle!**

I am delighted to share some wonderful news with you. After many months of prayer, writing, editing and preparation, my books are now available on **Amazon Kindle** and can be purchased and read anywhere in the world. These books are the fruit of many years of priestly ministry, preaching, teaching, and reflection on Sacred Scripture. My hope is that they help readers deepen their relationship with Jesus Christ, grow in faith, and encounter the Lord more profoundly through His word. Whether you are looking for spiritual inspiration, biblical reflections, homilies, or devotional reading, I pray these publications will be a blessing to you and your families. **To view my books on Amazon Kindle, simply scan the QR code with your smartphone camera.**
