## PASTOR'S BLOG

August 27, 2023

This past week, after the 11am Mass on Sunday to Tuesday afternoon, I took some time to visit some of our young people at Edge Camp West. Just a little bit about Edge Camp. First, EDGE is a youth ministry program geared towards children in middle school, grades 6 to 8. EDGE Camp was the product of different parishes who were running this program, taking one of their EDGE nights (activities, catechesis, prayer, and discussion) and making it into a 5 day long event. It was established in Toronto in 2009 and has been growing ever since. What once was a few parishes participating in one 5 day camp has turned into many parishes participating in three 5 day camps divided by region: East, West and Central. The camp is hosted at beautiful Camp White Pine in Haliburton, ON. Please visit <http://campwhitepine.com/photo-gallery/> to see the facilities and many of the activities that were available to the campers when they were at camp.

I started going to EDGE Camp when I was ordained a priest in 2014. My first parish, St. Isaac Jogues had a growing youth ministry and it was such great time. Participating in the various activities was always exciting. But what was special about this camp is that there were times of prayer, catechesis, we celebrated Mass every day, we had a day of confessions and a time of Adoration of the Blessed Sacrament. Seeing our young people at prayer, attentively growing in the faith, participating in Mass and receiving Jesus in the Eucharist, encountering God's mercy in the Sacrament of Confession and adoring the Lord is something special. Remember, these young people cannot go to a World Youth Day and other events for teenagers and young adults, so this is a great way for them to encounter the Lord and have a lot of fun in the activities.

This year was the first year that St. Mary Star of the Sea was able to bring children up to Camp. We were able to bring three children and my hope for them is that they were able to encounter the Lord anew in their life through the Sacraments, the catechesis, the prayer, the activities and the friendships and now respond with faith to that encounter. I pray that they had that mountain top experience that will sustain them as they head back to school.

In my years as a priest and experiencing growing and thriving youth ministry in parishes, having these mountain top experiences are important. But it is the parish life that feeds and sustains these mountain top experiences because we know that they will not last forever. The Lord and his apostles came down from the mount of Transfiguration and so will these young people. We, as a parish family, have to be there to support them when this happens that their faith may grow and become lifelong disciples of Jesus.

Next week, you will get to read the youth minister's blog from Samantha, who accompanied these three children to camp. My thanks to her for all the hard work she put into this week and investing the time in these young people. My experience as a priest is vastly different from the hard working youth ministers who pray, plan, execute and run the camp. I had a lot of fun...Samantha came back exhausted!

SOCIETY OF ST. VINCENT DE  
PAUL (SSVP)

Our ministry is inspired by the work of our founder, Frederic Ozanam, and rooted in the love of Jesus. When we gather for our meetings, our prayer includes the following: "Lord Jesus, make us responsive to the Christian calling to seek and find the forgotten, the suffering or the deprived, so that we may bring them Your love. Help us to be generous with our time, our possessions and ourselves, in this mission of charity." Our members pray before going out on visits. Thank you for supporting our work.
