Encountering Christ in the word, Book by Fr.

László

I am pleased to share with you ***Encountering Christ in the World - Homilies for Year A***, is available after all Masses.

This book is a collection of homilies and reflections rooted in the Sunday Gospels, written with one purpose: to help deepen your relationship with Jesus Christ. Each reflection invites you not only to understand the Word of God, but to encounter Christ personally, to grow in faith, and to live the Gospel more fully in your daily life.

Many people today are searching - for meaning, for hope, for direction. The Word of God speaks directly into that search. It has the power to strengthen us, to guide us, and to transform our hearts. My hope is that this book will serve as a companion for your prayer, your reflection, and your journey of discipleship.

The book is available for purchase in the narthex of the Church for \$25

If it has helped you or may help someone you love, I encourage you to take a copy, and perhaps consider sharing it with a family member or friend who is searching or returning to faith.

Thank you for your continued prayers and support. Be assured of my prayers for you and your families.

In Christ,
Fr. László

SSVP - We get a Break (sort of!)

During the summer months, we don't have our monthly St. Mary Conference meetings. Nor do we have the monthly meetings with the other Conferences in our region. So it's nice to get a break. But we still make our visits to those who ask for our help, as well as do the bookkeeping to manage our donations.

Have a wonderful summer and thanks for supporting us!
