Francis our Bishop

This weekend will mark a new chapter in the history for the Archdiocese of Toronto as Francis Leo becomes the 13th Archbishop of Toronto. This will be a great change for me...and for all of you. Since I have been ordained in 2014, I am used to saying Francis our Pope and Thomas our Bishop in the Eucharistic Prayer. For all of us, since 2007 we have heard these words during Mass. Over the next few weeks and months, we will have to adjust to hearing Francis our Pope and Francis our Bishop. For me, it would be nice to just say Francis our Pope and Bishop - its the engineer in me I guess - but I don't think I am allowed to. Alas, I am just a humble servant of the liturgy.

For those who would like to welcome the new Archbishop to the diocese, there will be a regional Mass of Welcome taking place in the Western Pastoral Region on Wednesday May 3rd, 2023 at 7pm in St. Francis Xavier Parish, Mississauga. A reception will follow Mass in the parish hall. All are welcome. Please continue to keep Archbishop Leo in your prayers as he begins his ministry as our shepherd.

The ShareLife Campaign

As I mentioned in my announcements last weekend, this weekend in the Archdiocese of Toronto is the first collection for the annual ShareLife Campaign. As a parish family, we have been greatly blessed here at St. Mary Star of the Sea. While we did not make our parish goal last year, we certainly did our part in collecting \$118,017.45 which was 78.7% of our parish goal.

This year, with our goal being \$125,000, we can assist the many agencies that ShareLife funds. The aftermath of the last 3 years is being seen on many different levels and the need for assistance is growing. We who have been blessed financially by the Lord are now being invited by him to be generous in our gift.

As I mentioned last weekend, prayer, fasting and almsgiving go hand in hand in hand. They all work together. During this time of Lenten renewal, if we are praying and fasting it necessarily means that we need to give alms. ShareLife could be one of those charities for you to support. And so, I invite you to prayerfully consider giving to the ShareLife campaign. Not only will you transform the life of someone who is suffering with mental illness, loneliness, and those in domestic violence situations, you will transform your own life becoming more like Christ who emptied himself of everything so that we might have life.

Again, a heartfelt thank you for your generosity.

Fr Michael

If you would like to speak with someone regarding your individual donation, please leave a message on the SSVP phone line @ 647-628-2058.

The SSVP would like to thank all those who so generously donate to the cause of helping our Neighbours in Need.

SHARELIFE

THIS WEEKEND IS SHARELIFE SUNDAY

ShareLife Sunday marks the first collection for our parish's annual campaign. In the words of Cardinal Collins:

"Vulnerable members of our community are relying on you and me to ensure ongoing access to the care they so desperately need. This is why it's crucial we meet our parish campaign goal. Our goal can be met, but only if we each do our part."

Our parish goal this year is
\$125,000

Please give at the parish using a ShareLife envelope (available at all the exits of the Church, online through our parish website, or at sharelife.org/donate).

DEVELOPMENT AND PEACE SOLIDARITY SUNDAY

This Solidarity Sunday, we are called to **Stand for the Land** through a joint expression of faith and charity. Christ's words in today's gospel offer the most profound testament of hope: **"I am the resurrection and the life."** Those who saw Lazarus emerging from the tomb must have experienced an overwhelming optimism. We are invited to reflect on the profound hope and transformative nature of our faith. Let us shine the light of that faith onto the darkest places of our world. Solidarity through faith and charity can transform the lives of some of our most vulnerable sisters and brothers across the world. "The support we receive from Development and Peace has been very important for me. It allowed me to find myself, to live again." — Raquel Soto, participant in the documentary filmmaking school of the Asociación Campesina de Antioquia (ACA, Peasant Association of Antioquia). The ACA's vision is to empower communities to influence public policies to preserve their ecologically sustainable lands. Such is the difference our solidarity and support can make. Thank you for helping Development and Peace build a world of justice. More information on Stand for the Land, this first year's campaign of **Create Hope** -- at devp.org/lent.
