PASTOR'S BLOG

Last weekend we began our prayer ministry at the parish. It was a blessing for us who have been praying and planning...and then going back to prayer and finally see it come to fruition. As the ministry begins, there will be areas that we tweak to make it more beneficial for those who participate. However, as a beginning, it exceeded my expectations. My thanks to Deacon John, Adriene, Sam and Wendy for all their time and dedication to this endeavour. May God who has begun this good work bring it to completion.

We now turn our eyes to the season of Lent and the 40 days of prayer, fasting and almsgiving beginning with Ash Wednesday that falls on February 14th or Valentine's Day. One thing that I have noticed more and more in my role as a parish priest is the importance to give helpful reminders when it comes to these special days in the life of the Church.

This year, I would like to lead with stating the 5 Precepts of the Church. For some, this might be something relatively new. For others, it helps with refreshing the memory from their childhood catechism. The 5 Precepts of the Church are (Catechism of the Catholic Church 2042-2043):

- 1) You shall attend Mass on Sundays and Holy Days of obligation and rest from servile labor.
- 2) You shall confess your sins at least once a year.
- 3) You shall receive the sacrament of the Eucharist at least during the Easter season.
- 4) You shall observe the days of fasting and abstinence established by the Church.
- 5) You shall help to provide for the needs of the Church.

The purpose of these precepts is "to guarantee to the faithful the very necessary minimum in the spirit of prayer and moral effort, in growth in love of God and neighbour." (Catechism of the Catholic Church, 2041) Effectively, these precepts are the bare minimum that the Church, who is a teacher and mother, asks of her children to live their life as Christians united with the liturgy and nourished by it.

So why did I lead with the precepts? Well, because Ash Wednesday is one of those days of fasting and abstinence established by the Church. (The other one is Good Friday for those who might be asking.) For members of the Latin Catholic Church, the norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards.

This year, with Ash Wednesday falling on Valentine's Day, there is no dispensation for this precept and therefore we are obligated to follow it. There will be some who receive this well and make plans accordingly. There will be others that will ignore it. And there will be others who are upset because they have to fast and abstain from meat on this day.

In all three cases, look to Jesus, who teaches us that it is through our acts of self sacrifice that we grow in love. We deny ourselves because we love. So really, from this point, there is no opposition in the two events. In fact, they are complementary if we consider that they both focus on love: one deals with the sentiments of love (Valentine's Day) and the other focuses on the essence of love (Lent). One is temporal the other is spiritual.

So maybe...just maybe... this Lenten season, the Lord is inviting us to move from the mere sentiments of love to the essence of love. With that invitation in our hearts and minds, may all our endeavours this Lenten season be motivated by love. Through them, may we be purified from all that keeps us from loving as Christ loves and be renewed by His love.

SSVP & THE KINGDOM OF GOD

I recently read Archbishop Francis Leo's Pastoral Letter on Seeking the Kingdom of God. The quote below, beautifully describing the Kingdom, is found on page 13 of the letter. Our desire, as members of the Society of Saint Vincent de Paul, is that we, along with all of you, are contributing to the building up of God's Kingdom. The Kingdom of God is a space. It exists in every home where parents and children love each other. It exists in every region and country that cares for its weak and vulnerable. It exists in every parish that reaches out to the needy. The Kingdom of God is a time. It happens whenever someone feeds a hungry person, or shelters a homeless person, or shows care to a neglected person. It happens whenever we overturn an unjust law, or correct an injustice, or avert a war. It happens whenever people join in the struggle to overcome poverty, to erase ignorance, to pass on the Faith. The Kingdom of God is in the past (in the life and work of Jesus of Nazareth); it is in the present (in the work of the Church and in the efforts of many others to create a world of goodness and justice); it is in the future (reaching its completion in the age to come). The Kingdom of God is a condition. Its symptoms are love, justice, and peace..." Sal Badali

PRO-LIFE PRESENTATION

The subject of abortion is a sensitive, deeply personal and often divisive issue, and our increasingly secular society has adopted a stance that goes against authentic Catholic moral teaching. Yet, many of us may have our own doubts, or feel ill-equipped to offer a reasoned defence of our beliefs when challenging questions arise in discussions with our families and friends, or in the media. On Thursday Feb. 15 from 7:00 to 8:30 pm, St. Francis of Assisi parish will host a pro-life presentation in the parish hall entitled, "Effective Responses to Challenging Questions on Abortion." The presentation will be delivered by Right to Life Mississauga & Area, the grass-roots educational arm of the pro-life movement in Mississauga and Brampton. This presentation, which is also appropriate for high-school kids, will equip you with the basic knowledge and skills to respond to challenging questions with empathy and confidence. To register, contact the parish office at 905-822-8132, or email menofstfrancismi@gmail.com and include Pro-Life Presentation in the subject line. Registration is free. Come with an open heart and mind and invite a friend.
