welcoming all who have known the pain of exclusion, discrimination or marginalization by the church and society. We affirm that all people are created in the image of God and as beloved children of God, all are worthy of God's love and grace. We create space for the full inclusion of all people, regardless of sexual orientation or gender identity, with us as we journey toward reconciliation and deeper discipleship in Christ. We recognize that there are differences among us, but believe that we can love alike even though we may not think alike. We invite all people to join us in our faith journey toward greater love, understanding, and mutual respect. For any questions or more information please contact Laura at lhiatt@gmail.com.
