

QUENCHING SPIRITUAL THIRST

A Strategic Opportunity to Advance the Gospel in Montreal

A Critical Moment for Renaissance Church RDP

Montreal is home to 1.8 million people, and Rivière des Prairies–Pointe-aux-Trembles alone has 108,000 residents. In Rivière-des-Prairies' neighbourhood there is no multicultural evangelical church. Quebec remains one of the most unreached regions in the Western world, with less than 1% evangelicals.

Renaissance Church is growing. We are now averaging 80 people in a building that holds 100 seats, with a rapidly expanding ministry to families, newcomers, and the community. Our space cannot keep up.

A Building That Changes Everything

A strategically located property — formerly a bar — has become available. It sits near two major boulevards, on a large plot of land with room for expansion and significant parking.

Opportunity to Expand

- ⇒ Purchase price: \$2,600,000
- ⇒ Total with taxes: \$2,795,000
- ⇒ Renovation estimate: \$400,000
- ⇒ Total project cost: ~ \$3.2 million

Once renovated, it will allow us to:

- ⇒ Seat 300+ people
- ⇒ Serve 200 families through our food bank
- ⇒ Build strong youth, children, and discipleship ministries
- ⇒ Establish a lasting gospel presence in Montreal's East End

Why Mortgage-Free Matters

We aim to purchase this building without a mortgage. A mortgage would burden our congregation; delay hiring a pastor-in-training for youth and slow down the momentum God has given us.

Our Contribution

- ⇒ Approx. \$1,100,000 from the sale of our current building (after agent fees)
- ⇒ \$100,000 pledged by our 60 members
- ⇒ Total available: ~\$1,200,000

The Faith Goal

**We are praying and working to raise:
\$2,000,000 by March 14, 2026**

The Opportunity Before Us

This project is bigger than us — but not bigger than God. A new building will multiply our impact, strengthen evangelical witness in Montreal, Quebec's largest city, second nationally after Toronto, and establish a vibrant center for gospel ministry in one of Canada's most strategic and underserved regions. Also, it will redeem a former bar and transform it into a place where spiritual thirst is being quenched.
