Hey parents!

Throughout the Bible we see God's great power on display. Is that power still visible today? Yes! We can see God's power in nature, in His answers to our prayer requests, and in how the Holy Spirit equips us for faithful obedience each day. This week, make an extra effort to pay attention to where God's power might be on display. When you see God at work, point it out to your kids, so they can marvel at God's majesty with you!

Take the Family Challenge

This week, make a list of how you see God's power. Allow this to become part of the regular spiritual conversions in your home.

November Verse

Jesus answered: "I am the way and the truth and the life. No one comes to the father except through me"

DO RIGHT

I will look for God's power and tell others about it.

Watch carefully for God's power. You might see His power in a mighty storm, or a beautiful flower, or in how He is helping you grow. When you see God's power, write it down here and find someone to tell about it!

I can feel amazed when I see God's power.

As a reminder of God's power, draw a picture of Elijah being taken up to heaven in the fiery chariot.
