Winter 2025-26 - Lesson 1

WHAT DID WE DISCOVER TODAY?

Malachi to Matthew - 400 years of silence.

Hey parents!

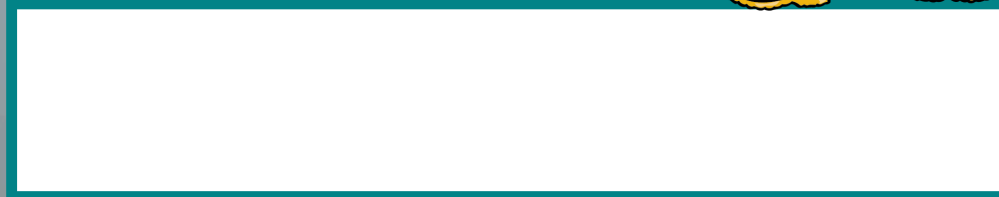

Today, your kids learned the very basics of how God was at work getting Israel and the world ready for the coming Savior during the 400 years between the Old Testament and the New Testament. It's amazing to think how God worked through Alexander the Great, as his empire transformed language, religion, and culture. He worked through the Roman empire, who built the structures and roads that would make it possible for the Gospel message to be spread quickly once the Savior was born. These examples assure us that God has a big plan.

Take the Family Challenge

Show your child pictures of you when you were younger. Talk about how God had a plan, before your child was even born, for you to be their parent. God has a big plan for them, too!
