Submitted Prayer Requests | 11/4/25

Kristen Rima: Update on FB from 11/2: I'm asking for big prayers for my dad, Tony Worrell. He's currently admitted to the hospital for several things: mainly heart related, fluid volume overload, NSTEMI, heart failure, A-fib, pleural effusions in both lungs, and recently diagnosed with severe diabetic retinopathy with bleeding. He was admitted Friday night and has made good progress with getting fluid off and his heart stabilized with medicine. We aren't sure how long he will be admitted and he will likely have a heart cath at some point. He has a lot going on right now and I ask for prayers of healing, peace through the unknown, and strength.

Please pray for my family as well as this is a lot to process and for us to be strong for him. Thank you in advance for your prayers! We know God's the Almighty Healer and He has my dad in His hands.

Rob Young: Troy McCullough seems to be doing okay after having a heart valve replaced. He is to be transferred today to VA Rehab in LR. Pray for continued recovery and for pain management.

Russell Kennedy: I got this from Kelly Schroeder: Rick gave us a move date of November 24th for Sherril. We filled out the 30 day notice paperwork on Friday. Please pass along info to dad's other friends should they want to visit him before that date. Sherril is definitely ready to be in Louisiana.

Terry and Ann Sides: Pray for Mama Fue with liver cancer.

Nancie Garrett: Pray for Aaliyah Davis, that God would help her understand Algebra...applying critical concepts. This is one step in getting nursing degree. She is trying so hard to not follow in the ways of her family. More than anything she needs Jesus...pray God would continue to give me the words to share Jesus with her.
