90 Days of Prayer

Prayer Partners

“Again I say to you, that if two of you agree on earth about anything that they may ask, it shall be done for them by My Father who is in heaven. For where two or three have gathered together in My name, I am there among them.”

Matthew 18:19-20

Scripture assures us that when we pray together, we experience God's presence. Praying regularly with a partner is a blessing and an opportunity to grow spiritually. There are a number of benefits of praying with a prayer partner, such as someone to pray for you and keep your prayers from being too self-focused. Praying with a partner creates a deep connection with someone else, and it provides accountability and commitment for prayer on a regular basis.

Prayer partners may pray in person together on a regular basis or by using other communication tools - phone, email, text, zoom or a pray app like Echo. They can pray for one another, a shared concern, or perhaps a church prayer list.

Finding a partner may take some effort, or it can happen easily. You may already have a friend with whom you share your joys and concerns that could develop into a deeper spiritual friendship. Perhaps you are getting to know someone in a Bible study or even a community club. If you are in an online faith community, there may be someone who worships at the same time as you who is looking for a connection.

Be bold and invite someone to join with you in praying!

Praying together:

Great and glorious God,
we ask you to hear us as we lift our hearts,
our hopes, and our dreams for Vine Church to you.
We ask you to help our pastors, our leaders, and our congregation to discern Your will in this new and exciting time. Give us wisdom to choose the pathways that are placed before us which will please you and support your church and our local community.
Thank you, God, for providing the resources for Vine Church to Dream Big!
In Jesus Holy name we pray.
Amen.
