

News from Pastor of Congregational Life Search Committee

The Pastor of Congregational Life Search Committee met on May 11. Dan Heard led opening devotions and read 1 Corinthians 13 from the Message and talked about how love leads everything that we do at our church. We are looking for someone who will love our congregation. We want visitors to feel loved when they come to our church.

The committee acknowledged we are in the middle of Phase II (**Reflection**) of the Search Process. Our prayer is to find someone who will be able to train and assist the leadership of the care teams. We have determined a variety of qualifications that we seek in future candidates.
