

FEARLESS

...for God gave us a spirit not of fear but of power and love and self-control. 2 Timothy 1:7

WHAT?

FEARLESS: Our Campaign of Faith

Fearless is our church-wide effort to move Lake Christian Church into the next season of ministry. It is a financial campaign, but really, it is about faith. Are we ready to follow God into what's next?

The priorities for Fearless over the next two years are:

- Expand the children's ministry space for greater safety and engagement
- Provide our student ministry a purposeful space for learning and community
- Expand our lobby to create space to fellowship and develop relationships
- Deploy much needed updates and maintenance to our current auditorium

We desire to be people helping people find and follow Jesus. We believe taking these steps in faith will help the "next one" in our community experience life change through the gospel. At its core, Fearless is calling every LCC family to a season of prayer and sacrificial giving. Check out the upcoming dates and hear the

WHY?

We are growing faster than our community.

Fluvanna County is growing but Lake Christian Church is growing faster! As we ask our church family to invest in Fearless, the data confirms what many of us already sense: God is doing something at LCC that goes beyond the natural growth of our region.

HOW?

Support the campaign:

- Pray consistently for the "Fearless" team and the overall initiative
- Attend all of the "Fearless" events
- Commit to give above and beyond what you currently give
- Share the initiative with others

Church growth was 46 times greater than the county's population growth!
