REDEMPTION HILL KIDS – APRIL 2026 ED.

CHRIST'S DEATH AND RESURRECTION. OUR DEATH AND RESURRECTION.

In childhood, kids often hear about death without really thinking much of it. But at some point, there's a moment when it suddenly becomes very real. It might come through the loss of a loved one or a pet. For me, that moment came while watching Spider-Man (2002). I had seen death portrayed in movies before, but Uncle Ben's death was different. It was the first time I truly realized that death wasn't just something that happened to others—it was something that would one day come for me too.

Death is a very scary reality for many people. Unless Jesus returns before then, all of us will face death in this life. For the unbeliever, this is sad and scary news. But as Christians, we do not have to fear death.

It's important for parents, leaders, and others to remind kids that Jesus has victory over death, and because of Him, those who follow Him will also share in that victory.

Death does not have the last word over us.

In fact, death is just a doorway to be with the One who loves us forever. And just as Jesus rose from the dead in a glorified body, we too will rise from the grave and be given new, glorified, eternal bodies when Christ makes all things new. Church, as we celebrate Easter Sunday, let's remember that we are not only made alive spiritually, but one day our bodies will be made new as well.
