Dawn Gabrielson	<p>This is long but it's big.</p> <p>This summer sometime a gal in town asked me for a ride, we'll it turned into almost daily. ( I found out that some years ago, she was taken raped and left somewhere) before I knew this she was begging me for money so she could eat and pay rent. Well, I gave her \$100 and she said she would pay me back. Well, I never expected to see it again and that wad ok with me. I didn't see her for a long time and now all of a sudden she is coming to my backdoor and begging for rides. It is cold outside. I don't want to be mean - I don't know what to do. Pray for a good Christian husband for her and a family and that God would bless and prosper her. Kristin Fotia	<p>Praise God for giving me clear direction to not sell my house to the city. And that my contact there was so understanding and assured me that they are not yet near eminent domain for my address. Thank you so much for praying with me. This was a huge decision for me, and incredibly stressful.</p> <p><i>Jan 5, 2022 by Kristin Fotia</i></p>	Prayer Requests - General

It's a rare condition that has given him many hospital stays. He's the sweetest and strongest baby boy who is so loved by his parents, brother, sister, family &amp; friends. NewLife Church

As many know, Dad (Dick Brady) has been in home hospice care for several weeks. He has been blessed with many visits from friends and family during this time. NewLife Church is still so near and dear to his heart. Today, Dad told us he wants to see Mel (Mom) and he wants to see Jesus. We ask for prayers for his overall comfort and peace, and for our family as well. Thank you and God Bless you all.
