My sister-in-law Mary was stabbed by her teenage son Shawntze tonight. From what I gather it was in front of many of his siblings and cousins. His mother's name is Jessica. A lot of feelings going on here. Mary is currently in surgery. Prayers for healing for this family.

Mandy, my wife and I are struggling financially and mentally. Tomorrow will be our due for our still born daughter Evelyn. My dad is in the hospital for a heart conditions. I've applied at many Christian jobs today. God will provide. We love you all and see you soon. If there is anyway I can serve at NewLife or give my Christ centered testimony on addiction I would love to give a sermon on it. 1000 blessings. Chase Jeffs
