## WHIZ KIDS AT CHRIST'S CHURCH!

This school year marked the launch of Christ's Church hosting tutoring with Joshua's Place Whiz Kids—a one-on-one reading literacy program designed to help elementary students strengthen their reading skills. During the first half of the year, 20 Mason students received additional reading support, and teachers are already reporting increased MAP testing scores and growing reading confidence. They not only focus on reading, they start the day with snack and a bible lesson. Just one more opportunity to plant seeds in *one more* person!

To hear an inspiring story of impact from two Miami University seniors and how Joshua's Place shaped their lives, [click here](#). It's a powerful reminder of why we do what we do!

## DIFFERENCE Maker MOMENT!

The Snyder family chose to spend their snow day serving on the church grounds! Ross, Savannah (8), and Noah (7) helped clear the ever-loving heaps of snow from our walkways.

Thank you for such a thoughtful and generous act of kindness!

## JANUARY BAPTISMS

On January 18, Brooklyn Winter and Steven Aker publicly professed their faith through baptism. We celebrate two more lives choosing to step into God's Kingdom and follow Jesus!

## FEBRUARY SERMON SERIES: IT'S COMPLICATED

This series is built on a simple conviction: The Bible doesn't hide relational dysfunction...it redeems it. Scripture doesn't clean up the stories. It tells them as they are. Broken families. Bad decisions. Complicated marriages. Hurt people hurting people. And right in the middle of all that mess, God keeps showing up.

God consistently works through the most tangled, uncomfortable, and complicated relationships to reveal His relentless grace.

The goal of this series is to help people, especially those who feel disqualified by their relational past, see that God isn't scared of their story. He's still working in it.
