MAKING A DIFFERENCE**

A MONTH OF SERVING

This month, several difference makers worked behind the scenes on various projects, all contributing to the same purpose—kingdom work. Here are a few highlights:

The Crafters for Christ group began knitting washcloths for Operation Christmas Child and has already made over twenty, with more coming in! You can still contribute by dropping off handmade or store-bought washcloths in the CCKids lobby throughout the month.

CCKids organized a Blessings of Backpacks event where kids packed backpacks with donated supplies for those in need this school year. In total, 50 backpacks were filled and donated to Kings School District. Kudos to CCKids and their parents for their support!

Last month, Sheryl Overstreet sought donations for a family affected by a house fire. The response from our church was overwhelming, with many contributing items. The family expressed deep gratitude. If you still wish to help, you can drop off grocery gift cards at the front desk, addressed to Sheryl or Patty Nordbloom.

Pat Smith and Raymond Bodley of the Helping Hands group volunteered their time to replace about 60 ceiling tiles in the CCKids wing before the school year began. If you're interested in future hands-on projects, [click here](#) to become a part of this hands-on work around CC! Thanks, Pat and Raymond, for your incredible work!

Ron Macy works with LovePackages.Org, collecting and donating Christian materials like Bibles, books, and educational resources for overseas distribution. Donations can be left in the box in room C-4 and Ron will deliver to a nearby church in the area that will disperse to locations in need.

Thank you to all our difference makers, including those not mentioned here. Each contribution, big or small, helps us work together toward our shared goal!

CLEANUP DAY AND TULIP BULB DONATIONS

We are seeking donations for our annual fall cleanup project, where we will be planting tulip bulbs to brighten our grounds with color next spring. Join us on Saturday, October 26, from 8:30 a.m. to 1 p.m., for a day of planting and other grounds work. Light refreshments will be provided! Please drop off your bulb donations in the collection container to the left of the front desk. For more details and to RSVP, [click here](#).

NEXT SERMON SERIES: "COME TO THE MOUNT" BEGINS SEPT 22

Life can be confusing.
Life can be chaotic.
We often feel pulled in many directions.
But is there a different way?
Is there a different path?
Jesus once said, *"Anyone who listens to my teaching and follows it is wise."*
If you are tired of the same old way,
tired of the same old path, Jesus invites you to
something new. He invites you to come to the
Mount.
