CHRIST'S CHURCH NIGHT AT THE BALLPARK

Christ's Church kicked off July with an exhilarating ball game! Over 80 members of the Christ's Church family gathered to support the Reds as they faced the Miami Marlins. The crowd was thrilled to witness an exciting 10-6 victory for the Reds, highlighted by an impressive six home runs!

NEW DOOR NAMES

In a true labor of love, we wish we could share all the stories of the mishaps with the letters before they were placed, but we'll skip the details and focus on the beauty of the outcome. The doors on the south side of the building, labeled D1 and D4, are now marked LBA (Liberty Bible Academy) and Gymnasium. Please use these names when directing volunteers or guests to enter the building.

MEN'S FIREPIT NIGHTS

This summer, the Men's Group has enjoyed participating in Fire Pit Nights. These evenings have been filled with food, cornhole, and uplifting conversations, allowing friends and new faces to connect. The first two sessions saw an attendance of about 20-25 men. The final fire pit night is set for Tuesday, August 6, from 6:30-8:00 PM. If you haven't joined us yet, be sure to check it out!

LITTLE FREE LIBRARY

The Moms' Group has launched a new service outreach by installing a "Little Library." They will be maintaining this and monitoring the supply of books, which are available for free to anyone in the community who wants to take or leave a book. Additionally, the Christ's Church location will be listed online as a designated spot for people to visit and use the library.

In addition, the Moms' Group has started an evening session to reach more mothers! Coming this September, the fall session will also be held on Wednesdays from 6:30-8:00 PM. Please note that childcare is not available during the evening session. We encourage you to invite your friends and community members to join. Registration is now open; click [here](#) for details.

AUGUST SERMON SERIES: "DARE TO DREAM"

God has a dream for your life, and He has a dream for our church. But many people miss out on these dreams because they don't understand the process God uses us to bring these dreams to a reality.

Be here over these next six weeks as we discover what this process is and how God uses it to change our lives!

We would love to hear about a dream or vision God has placed on your heart. Please take some time to reflect and consider sharing yours with us. You can submit a video to communications@ccmason.org or record one using the private video booth located in the lobby throughout the series.
