JUNE 2026

## WEDNESDAY NIGHTS IN THE GYM

Every Wednesday evening from 6:00–8:00 PM, Christ's Church opens its gym to the community for open basketball. What started as a simple opportunity to play has become a place where friendships are built, encouragement is shared, and people connect with one another throughout the week.

Each week, around twenty men gather for a few hours of competition, conversation, and community. Whether someone is a regular attendee or stepping onto the court for the first time, everyone is welcomed and invited to be part of the group.

Open Gym is one of the many ways Christ's Church seeks to create spaces where people can connect and build relationships. If you know someone who enjoys basketball and is looking for community, invite them to join us on a Wednesday night. All are welcome.

## A MONTH TO REMEMBER IN CCKIDS

CCKids had an amazing month filled with fun, community, and opportunities to grow in faith together. The month wrapped up with two back-to-back Mother's Day events — Mom vs. Son Nerf Wars and Jesus & Jammies for moms and daughters — creating special memories and meaningful connection time for families.

In addition, a group of kids completed the Indescribable Bible study, exploring the incredible ways God uniquely designed the human body — from oxygen-carrying cells to the way we see, hear, and smell. The study concluded with a fun trip to the Children's Museum, bringing many of the lessons to life.

We've received so much positive feedback from families about how engaged the kids have been and how much they are learning through the study. Stay tuned for the next exciting CCKids Bible study!

## A SWEET TRADITION CONTINUES

Now in its fifth year, Pam Thomas' cookie baking project honoring the memory of Kim Evans brought together 16 volunteers to bake an incredible 216 dozen cookies. A total of 867 bags were shared as surprise treats with the church one Sunday morning in May, along with church staff, daycare and Liberty Bible Academy staff, high school volunteers serving at the church this week, the Bear's ministry team, and families attending the Learning Tree Co-op field day held on the church grounds Monday.

Pam shared, "God continues to bless me with amazing family and friends who show up to help with this event. My prayer is that the cookies brought smiles to faces, and I'm excited to see where God leads us next year."

## NEW CGSTAFF: MARK MCDANIEL

Please join us in welcoming Mark to the Christ's Church staff team as Communications Director. Mark brings experience in video production and communications and has a passion for helping people connect through storytelling and community. He and his wife have three children, and he is excited to serve and grow alongside the Christ's Church family.

# DIFFERENCE *Maker* NEEDS!

June is shaping up to be a busy and exciting month at Christ's Church! While MAD Camp will be a major focus for many volunteers, there are also several other opportunities to serve and make a difference in our church and community. Please prayerfully consider how you might get involved this month:

- **Joshua's Place** – Reading tutors are needed one day per week for just over an hour at a time. The program begins in June and runs through July 14, but volunteers are not required to serve every week. [Click here to sign up.](#)

- **Butler Springs EPIC Camp** – CCKids Director Holly LeMaster will be serving as dean for camp June 11–13 and is seeking lead camp counselors to help chaperone small groups of 2nd–4th graders. Couples and children are welcome! This is a wonderful opportunity to invest in kids and help create lasting faith-filled memories. For more information, email Holly at [holly.lemaster@ccmason.org](mailto:holly.lemaster@ccmason.org)

- **MAD Camp** – We are still looking for lead volunteers to serve June 22–26. Most importantly are bucket drumming art, and junior camp! Volunteers receive half-off camp enrollment, and childcare will be provided for children younger than 1st grade. [Click here to register as a volunteer.](#)

- **4th of July Family FunFest** – One of Christ's Church's largest community events is returning this year! Many families from MAD Camp and the surrounding community attend this event each year. We are looking for volunteers willing to serve just one hour on Sunday, June 28, helping us create a welcoming environment and show the hands and feet of Jesus to our community. [Click here to register.](#)

- **CC Building help** – We are looking for a few volunteers to assist with light cleanup and reset tasks in the CCKids wing and auditorium following the 10:30am service on Sundays. These simple but important tasks help keep our spaces welcoming and ready for ministry each week. This is a great opportunity for students needing volunteer hours or anyone looking for a practical way to serve. If interested, email [steve.montgomery@ccmason.org](mailto:steve.montgomery@ccmason.org)

## BUILT DIFFERENT CONTINUES IN JUNE

We're continuing our Built Different series through Ephesians as we explore what it looks like to live out our faith in practical ways each day. As the series moves toward its conclusion, we'll be challenged to grow in spiritual maturity, reflect Christ in our relationships, and live with purpose in a world that often pulls us in different directions.

Join us as we continue discovering what it means to be built differently through the power and truth of God's Word.

- June 7 – Built to Grow
- June 14 – Put Off. Put On.
- June 21 – Walk in Love, Walk in Light
- June 28 – Spirit-Filled Living in Real Life (One Service Only at 10:30am)

Built Different concludes July 5.
