

Dear Families,

West Jefferson Christian School exists to provide a Christ-centered, transformational education that equips each student with a strong biblical foundation, a Christ-honoring perspective on missions, and a standard of excellence that both glorifies and honors the Father. In short, our vision is to equip students for lives of eternal significance.

West Jefferson Christian School is a ministry of Faith Baptist Church.

Our leadership is guided by the "Principles of Kingdom Education;" seeking to partner with and assist families who are committed to raising a godly seed.

In keeping with our perspective on missions, we work to serve the needs of the community by partnering with and assisting families who find it necessary to send their children to neighboring communities for their education.
