Missions: Pray for believers & missions in Somalia. Pop: 19,655,000

A map showing the Horn of Africa. Somalia is highlighted in orange and labeled with a large black star. Neighboring countries are labeled: Eritrea to the north, Yemen to the northeast, Djibouti to the northwest, Ethiopia to the west, and Kenya to the southwest. The Gulf of Aden is to the north, the Arabian Sea to the northeast, and the Indian Ocean to the east. Mogadishu is marked with a black star on the southern coast of Somalia.

Stability in Africa's most failed state remains depressingly elusive. Somalia now has a parliament and recognized national leaders after 20 years without an effective central government. But the militant Islamist group Al-Shabaab (linked to Al-Qaeda) still controls much of southern and central Somalia, and continues to hold influence in rural areas. Although it no longer contests control of Mogadishu, it continues murderous bombing attacks there, and in neighboring countries.
