WHAT WE'RE TEACHING

UNBELIEVABLE: A 4-Week Series from John on Doubt & Questions

SERIES OVERVIEW: Whether you've gone to church your whole life or just started today, it's understandable if you have questions about God and the Bible, especially when some things seem unbelievable. But our doubts don't have to destroy our faith. We might just find our voice when we speak up about questions we have. In this 4-week series from the book of John, we'll look at how Jesus met people where they were, showing that **when we have questions, he's always listening** and that even **when we don't understand, we can trust God's character**. We'll also see that **when we can't explain everything, we can trust what we know for sure**, and trusting God's plan is key to knowing that **when we want to walk away, God isn't finished yet**.

The teenage years are a volatile time, so it's easy to miss the warning signs that something could be really wrong. If you sense something is off with your teenager, don't ignore it.
